Fili Di Autonomia

Where:

Orvieto

Duration:

12 months

Description:

The **Fili di autonomia** project aims to promote the integration and working autonomy of girls and boys in dual diagnosis through the start-up of a professionalizing space in tailoring in Orvieto.

Topic:

Countering poverty, social hardship and job insecurity.

Target group:

12 girls and boys aged 18 to 36 years old who are at the end of their journey in a therapeutic community.

Objectives:

- To counter the social marginality and socioeconomic and labor precariousness of girls/boys in dual diagnosis;
- to promote the integration and labor autonomy of girls/boys hosted by the Lahuén Community through the startup of a professionalizing space in tailoring.

Activities:

- Sewing workshop start-up;
- On-the-job vocational training;
- Research for skills certification agreements.
