**Take pART!**

**Description:**

The Take pART! project aims to promote active citizenship and young people's sense of initiative on gender equality through the transformative combination of art therapy and activism. Art as a means for self-expression and empowerment towards gender issues in order to raise awareness among young people and encourage their active participation towards transformative social action.

**Topics:**

Art therapy, Activism, Raising awareness of young people regarding gender equality.

**Where:**

France,  
Martinique,  
Estonia, Holland,  
Italy, Spain

**Duration:**

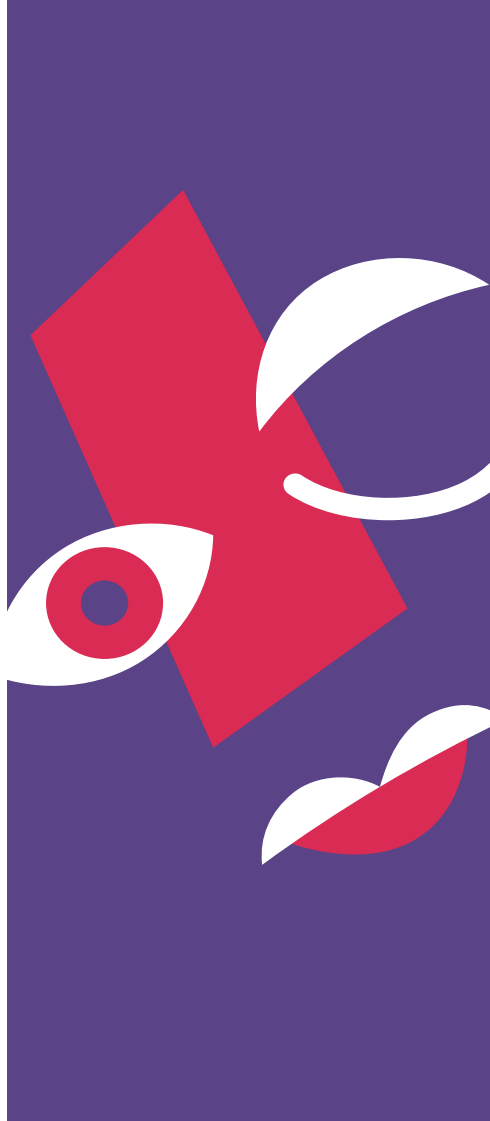

30 months

**Target group:**

7 civil society associations;  
At least 14 operators;  
At least 25 women involved in the project;  
At least 70 kids

**Production:**

- Two booklets, of which:  
(1) on art therapy as an empowerment practice for vulnerable women;  
(2) on the development of artistic performances that activate a transformation with respect to gender issues;
- Digital map open to anyone who wants to share personal

stories/videos/images on experiences related to the topic of gender equality

**Activity:**

- Two coordination meetings;
- Training of trainers in Italy on art therapy techniques
- Training of trainers in the Netherlands on gender-sensitive communication
- Implementation of 5 art therapy courses
- Implementation of 7 one-week artistic residencies
